Packing

PFA-430 PET Free Air - bottle 1L

743120000

Product [PFA-430]

Characteristics

PET Free Air deactivates animal odor molecules and has a spatial, a surface and a depth effect. The active substance has a long lasting effect, just like the pleasant, fresh scent.

Applications

Refreshing rental cars, campers, mobile homes, second-hand vehicles, houses, animal shelters,....

Use

- Clean the area or vehicle and remove dust.
- Spray PET Free Air in the room and apply slightly moistening at a distance of 30 cm on all surfaces and textiles that came into contact with pets.
- Close windows and doors and let the product act for at least 30 minutes.
- Wipe away any drops on smooth surfaces.
