## Packing

Novacare Shamp-Wax Windows and Doors - bottle 500ml

200605112

## Product [NSW R&D]

### Characteristics

- For weekly maintenance.
- Low foam due to the high carnauba wax content, for a perfect result.

## Use

- Wet-spray copious amounts of the application to remove sand and loose dirt.
- pour 60 to 80 ml into a bucket of lukewarm water and polish from bottom to top.
- Rinse with clean water and dry with chamois leather.
- For an extra high gloss, buff with a dry, lint-free cloth.

Biodegradable according to EN 648/2004.
