

# Plunger Dispenser 2L

Tools

ECONOMICAL CLEANER DISPENSER

✓ Correct dosage of cleaners Fireproof No risk of spillage

## Packing

Plunger Dispenser 2L - red	315002390
Plunger Dispenser 2L - yellow	315001390

## Product [PDR]

### Characteristics

Plunger Dispenser 2L is a must-have for any workstation. It ensures rapid dispensing of solvent cleaners onto a cloth, without spillage. The design ensures that excess product is returned to the container, preventing unnecessary evaporation. The flame guard in the dispenser tray prevents flames from spreading to the container.

### Applications

- Degreasing and cleaning without aerosols or spraying
- Economical use of solvent cleaners
- Fire-safe degreasing

## Use

- Fill the holder with a maximum of 2 litres of product and screw the dispenser into place.
- Use a paper or microfibre cloth.
- Press the dispenser bowl down 1-2 x. The cloth absorbs the correct amount of cleaner/degreaser.
