Packing

NWP-111 Nova Wipe Blue - 80pcs

467080000

Product [NWP-111]

Characteristics

Nova Wipe Blue is a compressed and strong cloth impregnated with a complex of surfactants, solvents and skin protectors. Its structure and composition make it ideal for stubborn dirt on hands and all smooth surfaces. Gentle on the hands, powerful against pollution.

Applications

Removal of ink, lacquer and paint stains, oil and grease, adhesive residues from stickers and tar splashes.

Use

- Remove as much dirt as possible with the soft side.
- If necessary, scrub away with the rougher side.
- Allow to evaporate and remove eventual residue with Multifoam.

If in doubt, test the resistance of the surface.

Close the packaging after each use to preserve the active substances.
