HCG-830 Hand Cleaner Gel - can 3,8L	464070000

Product [HCG-830]

Characteristics

This gel is formulated for the quick removal of fats, inks, oils and other general soiling. The dermatologically safe recipe contains no abrasive ingredients and is suitable for sensitive skin.

Use

- Apply a little gel to dry or damp hands and rub in thoroughly.
- Rinse with clear water and repeat if necessary.
