Product [SFA-430]

Characteristics

SMOKE Free Air deactivates tobacco odor molecules and has a spatial, a surface and a depth effect. The active substance has a long lasting effect, just like the pleasant, fresh scent.

Applications

Refreshing rental cars, campers, mobile homes, truck cabins, second-hand vehicles, homes, smoking areas,....

Use

- Clean the area or vehicle and remove dust.
- Spray SMOKE Free Air in the room and apply slightly moisturizing at a distance of 30 cm to all surfaces and textiles.
- Close windows and doors and let the product act for at least 30 minutes.
- Wipe away any drops on smooth surfaces.
