

# Certificate

## Indoor Air Comfort Gold

Novatio Hybrid Polymer Technology 1

*Certified Product*

Novatech International NV

Industrielaan 5b, 2250 Olen, Belgium

*Applicant*

The above product complies with the Specifications Indoor Air Comfort and Indoor Air Comfort Gold, Version 2026. These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals. Indoor Air Comfort Gold combines all key European and selected global requirements on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances or odour are not combined or evaluated. The following VOC emission requirements are combined and the certified product shows compliance with these VOC emission related limit values:

- |  |                            |   |   |
|--|----------------------------|---|---|
| - France VOC class A+                    | - LEED (ACP)               | - EMICODE EC1 Plus                                  | - Nordic Swan   |

## Appendix to Certificate IACG-351-02-02-2025

Novatech International NV

receives the Indoor Air Comfort Gold certificate with validity 23 February 2031

for below product group, including subgroups and individual products as listed:

Product group: Novatio Hybrid Polymer Technology 1

Product category: Sealants

Products included:

Seal & Bond MS Construct,  
Seal & Bond MS40,  
Seal & Bond MS60,  
Seal & Bond MS62 X.

The products in this group are based on identical or similar recipe and are produced under equivalent conditions. Grouping of the products and inspection of the production process is part of the Indoor Air Comfort Gold certification. A worst-case product, which is representative for the whole group, is being tested frequently.
